Career Summary: Multidisciplinary illustrator

Creative professional with a proven ability to maintain multiple responsibilities within a studio environment to benefit all stages of the production pipeline. Detail-oriented self-starter with a strong desire to contribute to the artistic development of a variety of media, from broadcast to animation to print.

Education: BFA Illustration, RHODE ISLAND SCHOOL OF DESIGN, Providence, RI, 2003-2007

Professional History: Walsh Family Media, Brooklyn, NY, April 2008 - October 2008

Work-for-hire Illustrator

- Collaborated closely with 3D animators to quickly and efficiently storyboard additional elements needed for the development of specific shots.
- Communicated with 3D modelers to ensure accurate translation of all designs into finished models.
- Conceptualized, storyboarded, and animated a 16 second 2D sequence on a promotional DVD movie for Club Kid'doo, a children's recreation area in New Jersey.
- Contributed to additional projects for Club Kid'doo: image correction for high resolution character stills, coloring online avatar accessories, and conceptualizing environments and props for promotional DVD movie.

Motherland, New York, NY, March 2008 - May 2008

Production artist intern for "The Dark Knight" animated content on Nokia cell phones.

- Modified existing artwork for creating cutout-style animation.
- Created promotional studio DVD to be sent out to select clients.
- Delivered contracts and hard copies of final animation to clients.

W.B. Doner, "Efficiency Tyrant" animation sketches, Southfield, MI, 2007

Re-designed existing character and drew animation frames to be used on the web for the promotion of an ad agency.

Cox Communications, "Messenger" character design, 2007

Sketched ideas for a character whose purpose is delivering digital content.

"Planadviser" Magazine, Art Director: SooJin Buzelli, Stamford, CT, 2007

Published an editorial illustration for "Hot Off the Presses" column.

Milky Elephant, Brooklyn, NY, 2007

Sketched ideas for a series of flash games for an online community web site.

Skills: Illustration: Experienced in quickly developing imagery from rough sketches to fully realized works. Skilled in both traditional and digital media.
